Math 591 – Homework 4
Due 1:30pm on Tuesday, April 5, 2016

Using the paper you chose for your final project, please submit each of the following:

(1) A definition
(2) An example or non-example (not in the paper) that demonstrates the definition
(3) A theorem
(4) An example or non-example (not in the paper) that demonstrates the theorem
(5) A question related to, but not answered by, the paper
